COMPUTER DESKS

Hide away unsightly computer equipment, freeing up valuable desk top space with our stylish range of traditional looking Computer Desks and Cabinets. With drop down drawer fronts to house keyboards, cupboard doors concealing C.P.U., printers, scanners and fax machines there are no more dangerous trailing wires. Internal holes are drilled to connect equipment together. Available in a choice of seven wood finishes fitted with solid brass handles and eight different leather coloured tops to choose from.

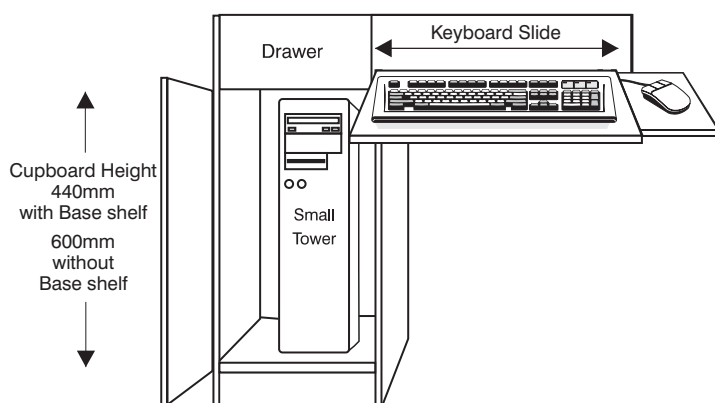

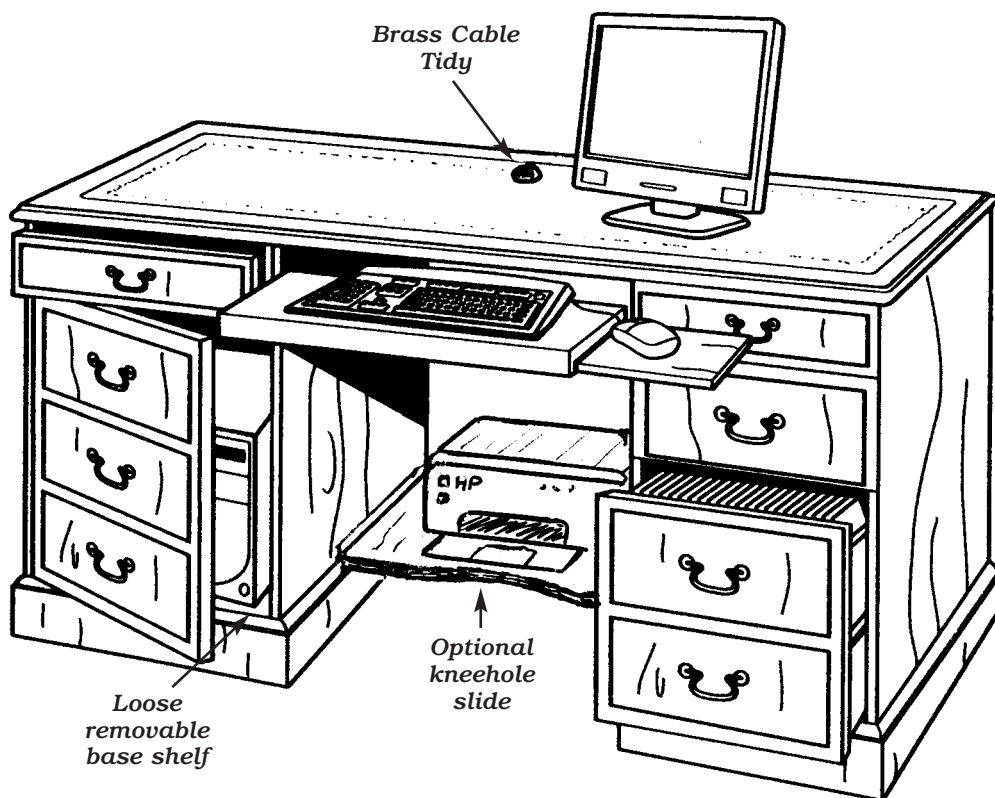

TRADITIONAL RANGE PEDESTAL COMPUTER DESK

Four sizes available

The same design as the traditional range pedestal desks, but with a cupboard door to house the tower unit, a keyboard centre drawer conversion and a filing drawer on metal action runners.

Choice of four wood finishes.
