## LEATHER STUDY/OFFICE CHAIRS

Our comprehensive range of Traditional Leather Chairs are hand upholstered here in the UK by our own upholsterers. (not imported)

The chairs frames are made from solid hardwood and then polished to the chosen wood shade.

The upholstery work is carried out using age old methods which take time and skill. A choice of sprung cushion seats and deep buttoning. The popular leather choice we use is the antique range, available in eight different colours. Other pastel leather colours are available on request.

Swivel chairs have a Gas height and tilt mechanism. The wooden five legged bases can be fitted with twin wheel brass hooded castors or wooden turned feet at no extra cost.

## TALL OPEN FLUSH CUPBOARD BOOKCASES

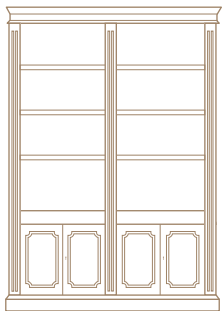

These tall open flush cupboard bookcases enable you to hide some less attractive books or files behind lockable doors. Made up to a width of 42" (107cm) and height of 96" (244cm). Overall depth including the overhanging cornice is 13" (33cm) giving a shelf depth of 10½" (27cm). All shelves are fully adjustable.

To increase the overall depth to 15" (38cm) giving a shelf depth of 12½" (32cm) (ideal for box files and larger books), please add 5% to the prices quoted. Base doors are fitted as standard and can be Shaker style or flat with raised moulding.

## TALL DEEP BASE CUPBOARD OPEN BOOKCASES

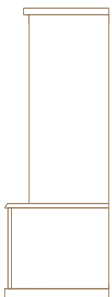

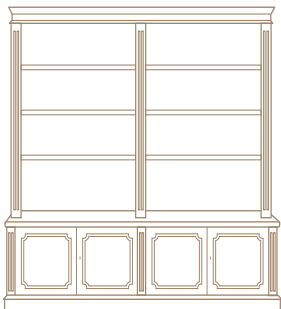

These tall bookcases are made with a deep base cupboard, which provides for greater storage. The top open section is the standard 13" (33cm) depth, while the base unit is 16" (41cm) deep. The height of the base from the floor is 31" (79cm). This can be manufactured lower or higher if required. Base doors are fitted as standard and can be Shaker style, or flat with raised moulding. Please add 5% to the prices quoted to manufacture the top or base section deeper.

Note: All 42" wide bookcases have extra strong 25mm thick shelves.
